“I worked a job for 2 weeks when I was 14. That was long enough to realize I wanted to do something different.” A lot of press kits and promo materials are written for the artist. This one is different. It’s me Konflikt. I am writing this. Hello! I have been a DJ for all of my life. I have worked at and helped open several major nightclubs in my career. I have travelled over 1,000,000 miles to DJ. Okay, name drops, I have DJed with/for: Rihanna, Usher, Drake, Lil Wayne, Big Boi, Ludacris, Busta Rhymes, Miguel, John Legend, Katy Perry, Flo-Rida, Pitbull, Miley Cyrus, Diplo and Marshmellow. Multiple cities in the US have contracted me to be their resident DJ in the past. When you look at “Notable residencies and previous clubs headlined” you can find more information there. My professional goals are to always be early to a gig, maximize the fun factor so your clients or customers are treated to a night or event that leaves them feeling great and finally I want to be the best DJ that you or anyone attending the venue I am playing at has ever heard. I leave you with a quote, “I get paid to do what I love, I have to give my all every time, I never want this to be taken from me. I feel like I am just getting started.” -Konflikt
